This list is published four times a year - for the Silver Racquet, Gold Racquet, U.S. Amateur, and Pell Cup. There is a requirement for players to have at least one recorded singles match in the Real Tennis Online handicap system in the six months prior to the publication date for the Silver Racquet List and in the three months prior to the Gold Racquet, Amateur, and Pell Cup Lists. To join the USCTA, or to inquire about your membership status, contact your Club Professional or Le Anne Lindsay at lrindsay@verizon.net. The Real Tennis Online (RTO) system, which is for both professionals and amateurs, is used by players in the U.S., England, Australia, and France. All American clubs utilize the system. For more information on it, log onto www.realtennisonline.com. The US Court Tennis Preservation Foundation is a co-owner of the RTO system and underwrites its operation for the benefit of court tennis in the U.S. and abroad.
